ERRATUM

Released: March 18, 2014

By the Chief, Public Safety and Homeland Security Bureau:

On February 21, 2014, the Commission released a *Third Further Notice of Proposed Rulemaking (Third FNPRM)*, FCC 14-13, in the above captioned proceeding. This Erratum amends Appendix C of the *Third FNPRM* as indicated below:

1. On page 87, correct paragraph 2, delete paragraph 3 and correct the first sentence in paragraph (k) to read as follows:

“2. Section 20.18 is amended by removing paragraph (h)(3) and redesignating paragraphs (i) through (n) as paragraphs (l) through (q), adding new paragraphs (i) through (k), and revising paragraph (1) of redesignated paragraph (m) to read as follows:”

“(k) CMRS providers subject to this section shall provide for all wireless 911 calls, whether from outdoor or indoor locations, x- and y-axis (latitude, longitude) confidence and uncertainty information (C/U data) on a per-call basis upon the request of a PSAP.”

2. On page 88, in paragraph (m) replace “*Conditions for enhanced 911 services---*” with “* *” and move paragraph (1) two lines below (m).
